Survey Instructions

Positioning

1. Position yourself approximately 50 feet from the person conducting counts.
Engaging

2. Approach cyclists or pedestrians in a friendly and engaging manner. **Without startling them**, get their attention and ask...
“Hello, do you have time to answer a few questions about walking and biking?”

If yes:

“My name is __________ and I’m conducting this survey for ______________. The information will be used to better understand why people walk and bike where they do. The survey will take about 5 minutes.

“You don’t have to answer all the questions, and you can stop taking the survey at any time. I won’t ask for any personal information. Would you like to take the survey?”
